Product Description

N1 Suspended high performance indirect/direct Spoke Pendant LED Luminaire. Minimalist rectilinear profile with fully luminous regressed lens cavity and elegant knife edge trim. Performance Optics offer Bat Wing lower and upper optical distributions. Integral Driver allows for ease of installation. Available in 2' or 4' leg versions.

Construction

The N1 housing is constructed out of extruded aluminum, die cast ends with die formed steel and aluminum components. Finished in standard white, silver, black or custom color powder coat finishes. Lenses are high light transmission UV stable acrylic. Mounting to grid or drywall ceiling via fully adjustable aircraft cables.

Light Source

Light source comprised of mid power LEDs that are thermally engineered to ensure optimal efficacy's up to 125 lumens per watt and 80+ CRI. Luminaire light output guaranteed to achieve a minimum of 70% luminaire output over 100,000 hours at typical 25 deg. C operating conditions. LED components and luminaires are compliant with IESNA LM80.

Certification and Warranty

Luminaires carry a limited 5-year warranty and all luminaires are UL listed for indoor damp rated lighting applications.

Performance

Optional Performance 'Bat Wing' Optics available for Up Light and Down Light Distributions.
